EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. David Hall on 7/11/07.

3. Claim 19 has been amended as follows:

19. ~~A computer program product for routing calls in a communication system, the computer program product comprising program code embodied in a tangible~~ computer-readable storage medium comprising computer program code for routing calls in a communication system, the computer program code comprising:

program code that is configured to receive a call from an originating network in the communication system;

program code that is configured to determine an identity of the originating network of the call; and

program code that is configured to route the call in the communication system based on the identity of the originating network.
